

**Florida Atlantic University
College of Education
Department of Counselor Education**

The following is a list of required textbooks for the courses offered by the Department of Counselor Education. Students should consult the course syllabus for additional recommended textbooks and/or materials.

College of Education Requirement

Students in this course are required by the College of Education to have an active LiveText account to track mastery of programs skills, competencies and critical assignments and to meet program and college accreditation requirements. Students must have an account within: the first four (4) weeks of the fall or spring semester, within the first three (3) weeks of summer session, or after the first class of a fast track course. Students who do not have an active LiveText account may have an academic hold placed on their record. Information regarding account activation is provided on the College of Education website, <http://coe.fau.edu/livetext>.

Department Requirement for all classes

American Psychological Association (2010). *Publication manual of the American Psychological Association (6th Ed.)*. Washington, DC: Author.
