**This document was developed by Lori Bonino, M.Ed. And Jim Forgan, Ph.D.  
as part of the Southeast Regional CSPD Council through federal funding  
under the Individuals with Disabilities Education Act, Part B, through  
the Bureau of Instructional Support and Community Services,  
Florida Department of Education Project Number:  
501-2625A-5C003**

## **Introduction**

The purpose of this guide is to help direct you through the Special Education Teaching Certification process in Southeast Florida. Inside you will find valuable information related to gaining initial certification in the field of Exceptional Student Education as well as school district profiles, Southeastern Florida Universities, contact names and phone numbers, as well internet addresses related to Exceptional Student Education.

There have been many changes in regard to Exceptional Student Education (ESE) Certification and endorsements since 2002. It is our hope that this guide will clarify the certification process and procedures to be followed.

If the information in this guide does not answer all of your questions, you can contact the Florida Department of Education, Bureau of Teacher Certification at:

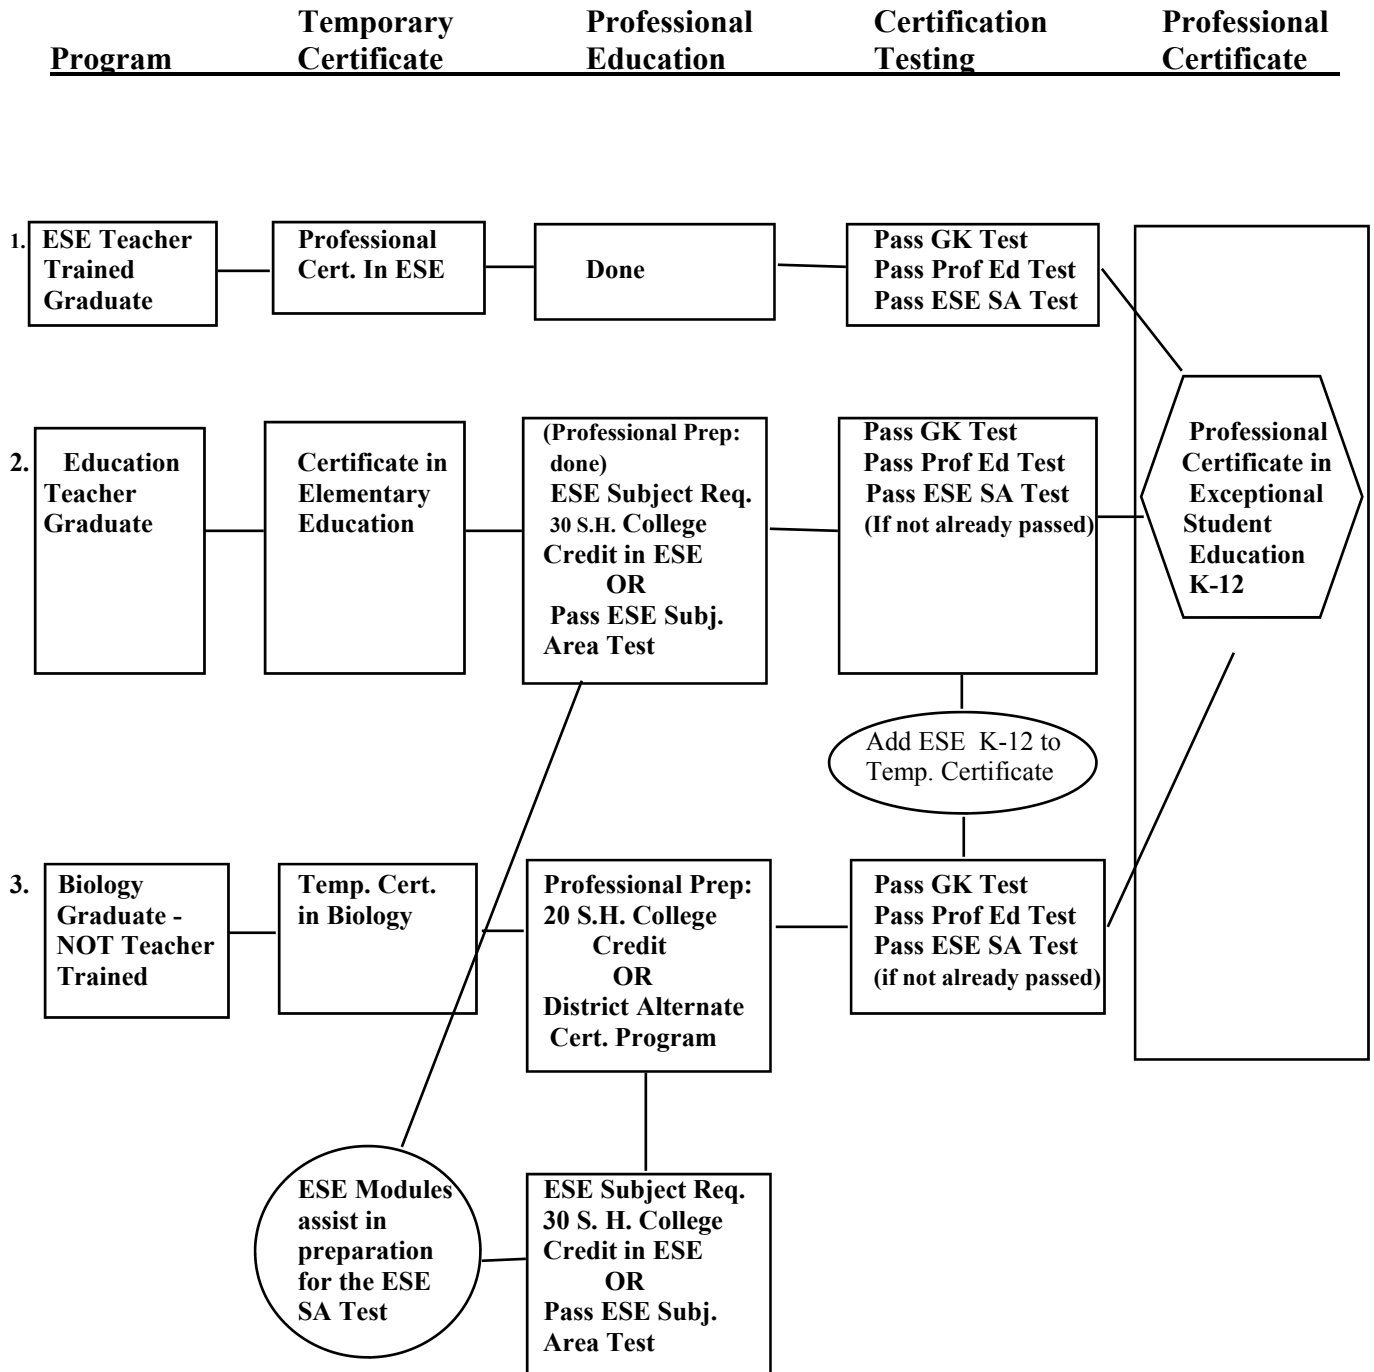

1-(800) 445-6739 or [www.firn.edu/doe/doehome.htm](http://www.firn.edu/doe/doehome.htm).

We wish you a successful and rewarding teaching career!

## Pathways to ESE K-12 Certification

## **Steps to Special Education Certification in Florida**

Note: For the most updated certification information, contact the district in which you will teach or the Florida Department of Education, Bureau of Teacher Certification at (850) 488-2317 or (800) 445-6739.

The most common question asked of the Florida Department of Education by people pursuing certification and re-certification in Exceptional Student Education is “Which path do I take to obtain my certification in Florida?” The following explanation as well as the chart from the previous page can help guide applicants through the requirements for certification and select the path that will best suit their needs.

(If you have a High School Diploma or an AA Degree, one way to obtain Florida certification in special education is to successfully complete an approved special education bachelor’s degree program.)

### **Path #1:**

An applicant graduated from an Exceptional Student Education (ESE) teacher preparation program that is NCATE approved.

- \* This applicant qualifies for a Professional Certificate in ESE. All other professional preparation as a educator was included in the ESE degree major. This applicant must take and pass tests of: General Knowledge, Professional Knowledge and Subject Area Knowledge in the area of ESE.

### **Path #2:**

An applicant who graduated from an Elementary Education teacher preparation program that is NCATE approved is eligible for a Professional Certificate in Elementary Education.

- \* Professional preparation as an educator was included in the Elementary Education degree major. To add ESE coverage to the certificate, this applicant has two options:
  1. Complete 30 semester hours of appropriate college coursework in ESE (see page 9 for course areas), **or**
  2. Take and pass the Subject Area Exam in ESE.

### **Path #3:**

An applicant graduated from an Arts and Sciences major in an area for which Florida offers certification, such as biology.

- \* This applicant qualifies for a Temporary Certificate in the area indicated by the Arts and Sciences major, such as biology. Because the applicant did not participate in a teacher preparation program in college, he or she must acquire professional preparation as an educator by one of two methods:
  1. Complete 20 credit hours of education courses, **or**
  2. Complete a district implemented alternative certification program.
  
- \* To add ESE coverage to the Temporary Certificate in biology, this applicant must also qualify for the ESE subject area coverage by one of two options:
  1. Complete 30 semester hours of appropriate college coursework in ESE, **or**
  2. Take and pass the Subject Area exam in ESE.
  
- \* To complete the remaining requirements for a Professional Certificate in ESE, this applicant must also take and pass the tests of General Knowledge, Professional Knowledge, and if not already completed, the Subject Area exam in the area of ESE.
  1. All participants must also successfully complete the Educator Support Program (ESP), and must satisfy practical teaching requirements by teaching two full years under their Temporary Certificate.

### **Getting a Job:**

- \* Job opportunities can be identified through various means, such as district hotlines, district web sites and job fairs.
  
- \* Once you have completed all of the district requirements including fingerprints, drug testing, transcripts, letters of recommendations, copies of your social security and driver's license, felony clearance (clerk of the court), and other requirements depending on the district, you are eligible for a two-year non-renewable Temporary Certificate.

- \* To apply for your five-year Professional Certificate, the Teacher Certification Examinations must be passed. However, it is recommended that you complete the Teacher Certification exams during your senior year of study. You must present a passing score on the General Knowledge test, Professional Education test and the Subject Area test. If you have already taken and passed the CLAST prior to July 1, 2002, you do not need to take the general knowledge exam. If you attended a private or out-of-state university, you are required to pass the General Knowledge test during your first year of employment.

\*\* The colleges and universities in the Southeastern region of Florida that offer programs that lead to certification in special education are *Broward Community College, Florida Atlantic University, Indian River Community College, Lynn University, Nova Southeastern University, Palm Beach Atlantic College, and Palm Beach Community College.*

### **Specialization and Endorsement Requirements:**

Specialization Requirements for Certification in:

#### **Exceptional Student Education (Grades K-12) -Academic Class (#6A-4.01795)**

1. Plan One. A bachelor's or higher degree with a major in exceptional student education, special education, mental disabilities, specific learning disabilities, emotional disabilities, physical impairments or varying exceptionalities: **or**
2. Plan Two. A bachelor's or higher degree with thirty (30) semester hours in exceptional student education to include the areas specified below:
  - a) Foundations of special education to include educational practices and development and characteristics of children with disabilities;
  - b) Assessment and evaluation to include interpretation, analysis, and application of assessment results and alternate assessment strategies;
  - c) Evaluation of student progress in acquiring, generalizing, and maintaining skills related to participation in educational settings;
  - d) Instructional practices in special education to include selection and implementation of instructional practices and strategies and identification of accommodations and modifications;
  - e) Relevant general education and special skills curricula selection;

- f) Assessing, designing and implementing positive behavioral supports;
  - g) Language development and communication skills to include normal sequence of expressive and receptive language development and identification of communication deficits and appropriate interventions;
  - h) Skills to teach interpersonal interactions to include criteria for selecting instructional procedures for teaching personal care, interpersonal skills, self-advocacy skills and adaptive life skills;
  - i) Transition process to include development of desired post-school outcomes; and
  - j) Effective methods of communication, consultation, and collaboration with students, families, administrators, and other education professionals.
3. This rule is to become effective July 1, 2002, and supercedes the provisions of Rules 6A-4.0171, 6A-4.0173, 6A-4.0174, 6A-4.0175, and 6A-4.0177, FAC, as of that date.

Specific Authority 229.053(1), 231.15(1), 231.17(6) FS. Law Implemented 229.053, 231.145, 231.15(1), 231.17(6), FS. History - New 7-1-2002.

Specialization Requirements for Certification in:

Hearing Impaired (Grades K-12) - Academic Class (#6A-4.0172)

- 1. Plan One. A bachelor's or higher degree with an undergraduate or graduate major in hearing impaired, or
- 2. Plan Two. A bachelor's or higher degree with thirty (30) semester hours in exceptional student education to include credit in the areas specified below:
  - a) Foundations of exceptional student education to include historical perspectives, student characteristics, and trends and issues;
  - b) Educational management of exceptional students to include classroom organization, behavior management, and consultation skills;
  - c) Audiology, anatomy and physiology of human speech and auditory mechanism, including assessment, amplification, and assistive listening devices;

- d) Introduction to education of students who are hearing impaired to include the nature and needs of hearing impaired and multi-handicapped students, trends and issues, family support and intervention, and community resources;
- e) Language development to include the application of English linguistics, psycholinguistics, and socio-linguistics to the education of hearing impaired students, including ages birth to five (5) years;
- f) Auditory development and learning to include methods of auditory learning, assessment and techniques for evaluating the acoustic environment;
- g) Manual communication to include manually coded English and American Sign Language;
- h) Instructional strategies for teaching students who are hearing impaired to include credit in the following:
  - 1. Teaching language to include instructional procedures to effect language learning to students who are hearing impaired, including ages birth to age five (5) years.
  - 2. Speech development to include production and transmission of speech and instructional and assessment strategies to facilitate the development of speech skills for students who are hearing impaired, including ages birth to age five (5) years;
  - 3. Teaching reading to students who are hearing impaired to include theories, curricular adaptations and assessment;
  - 4. Teaching mathematics, science and social studies to students who are hearing impaired to include employability skills, career awareness, and transition planning for adult living.

Specific Authority 229.053(1), 231.15(1), 231.17(3) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 7-1-92, Amended 7-17-2000.

Specialization Requirements for Certification in:

Speech-Language Impaired (Grades K-12) -Academic Class (#6A-4.0176)

1. Completion of the following education courses to satisfy the courses required in paragraph (2)(a) of Rule 6A-4.006, FAC.
  - a) Three (3) semester hours in survey of exceptional student education, and
  - b) Three (3) semester hours in school organization or general curriculum which includes the elementary and secondary instructional levels.
2. Completion of specialization requirements by one of the following plans:
  - a) Plan One. A master's or higher degree with a graduate major in Speech-Language Pathology,
  - b) Plan Two. A valid license in Speech-Language Pathology issued pursuant to Chapter 468 Part I, Florida Statutes. Appropriate documentation to the Department shall be a letter of verification of licensure from the issuing agency, or
  - c) Plan Three. A valid certificate of clinical competence issued by the American Speech-Language Hearing Association. Appropriate documentation to the Department shall be a letter of verification from the issuing agency, or
  - d) Part Four. A master's or higher degree with a minimum of sixty (60) semester hours of college credit in Speech-Language Pathology, and three hundred (300) clock hours of supervised clinical practice to include one hundred fifty (150) clock hours at the graduate level. The supervised clinical practice shall include each of the following areas: evaluation of speech and language problems, management of disorders of articulation, fluency, and voice; and assessment and management of auditory disorders. Appropriate documentation to the Department shall be a letter of verification from a designated official of the training institution. Thirty (30) semester hours of the minimum required college credit in Speech-Language Pathology shall be graduate credit and shall include the following:
    1. Three (3) semester hours of graduate credit in each of the following:
      - a. Evaluation of speech, language, and hearing disorders;
      - b. Management of articulation disorders;
      - c. Management of fluency disorders;

- d. Management of voice disorders; and
  - e. Management of auditory disorders; and
2. Six (6) semester hours of graduate credit in management of language disorders of children.

Specific Authority 229.053(1), 231.15(1), 231.17(1) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 10-3-91.

Specialization Requirements for Certification in:

Visually Impaired (Grades K-12) -Academic Class (#6A-4.0178)

1. Plan One. A bachelor's or high degree with an undergraduate or graduate major in visually impaired, or
2. Plan Two. A bachelor's or higher degree with thirty (30) semester hours in student education to include credit in the areas specified below:
  - a) Foundations of exceptional student education to include historical perspectives, student characteristics, and trends and issues;
  - b) Educational management of exceptional students to include classroom organization, behavior management, and consultation skills;
  - c) Methods and materials for teaching reading to include:
    1. Sequential developmental skills and concepts of reading,
    2. Recognition and diagnosis of reading problems, and
    3. Prescription and utilization of appropriate methods and materials to increase reading performance; and
  - d) Specialized courses for the education of students who are visually impaired to include each of the following:
    1. Introduction to visual impairments including psychological, social, and emotional implications; history of educational services; and current delivery models;
    2. Introduction to orientation and mobility to include theories, concepts, and the impact of mobility on the individual, the family, and the community;

3. The teaching of reading and writing of English Braille;
4. Functions of the eye and educational implications to include interpretation of medical eye reports, structure of the eye, disease and impairments, low vision training, and the use and care of optical aids; and
  - e. Instructional strategies for teaching students who are visually impaired to include each of the following:
    1. Teaching and assessing personal and social skills to include personal hygiene, self care, interpersonal relationships, career awareness, and social interaction with peers;
    2. Teaching and assessing communication skills and reading including the use of specialized equipment; and
    3. Teaching and assessing mathematics, science, and technology to include Nemeth code, abacus, specialized science materials, adapted technology and computer access devices.

Specific Authority 229.053(1), 231.15(1), 231.17(3) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 7-1-92, Amended 7-17-2000.

Specialization Requirements for Endorsement in:

Endorsement in Autism - Academic Class (#6A-4.01796)

1. A bachelor's or higher degree with certification in any exceptional student education area; and
2. Twelve (12) semester hours of coursework in the area of autism to include:
  - a. Nature of autism (to include student characteristics, appropriate learning goals, teaching approaches, environmental arrangements, etc.);
  - b. Use of assistive and instructional technology and natural, alternative and augmentative communication systems for students with autism;
  - c. Behavior management and positive behavior supports for students with autism;

- d. Assessment and diagnosis of autism, and
- e. Field-based experience with students with autism.

3. This rule is to become effective July 1, 2002.

Specific Authority 229.053(1), 231.15(1), 231.17(6) FS. Law Implemented 229.053, 231.145, 231.15(1), 231.17(6) FS. History - New 7-1-2002.

Specialization Requirements for Endorsement in:

Severe or Profound Disabilities - Academic Class (#6A-4.01793)

- 1. A bachelor's or higher degree with certification in any area of special education; **and**
- 2. Twelve (12) semester hours in the education of students with profound disabilities to include the areas specified below:
  - a. Coursework in atypical child development and assessment of students with profound disabilities to include use of student assessment for individual educational planning and program planning;
  - b. Coursework in interdisciplinary teaming to include available resources; the recognition of the role of parents, teachers, and other professionals; functional community-based curriculum; employability skills; and transition planning; and
  - c. Completion of one of the areas as follows:
    - 1. Six (6) semester hours to include:
      - a) Coursework in nature of autism and intervention strategies for educating students who are autistic to include student characteristics, appropriate learning goals, teaching approaches, and environmental arrangements; and
      - b) Three (3) semester hours of supervised field-based experience with students who are autistic; or
    - 2. Six (6) semester hours to include:

- a. Coursework in nature of profound mental disabilities and intervention strategies for educating students with profound mental disabilities to include student characteristics, appropriate learning goals, teaching approaches, and environmental arrangements, and
  - b. Three (3) semester hours of supervised field-based experience with students with profound mental disabilities; or
3. Six (6) semester hours to include:
- a. Coursework in nature of deaf-blindness and intervention strategies for educating students who are deaf-blind to include student characteristics, appropriate learning goals, teaching deaf-blind.

Specific Authority 229.053(1), 231.15(1), 231.17(6) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 10-3-91, Amended 4-17-2002.

Specialization Requirements for Endorsement in::

Pre-Kindergarten Disabilities - Academic Class (#6A-4.01792)

- 1. A bachelor's or higher degree with certification in any exceptional student education area, preschool education, primary education, pre-kindergarten/primary education, childhood education, and
- 2. Twelve (12) semester hours in pre-kindergarten disabilities education to include the areas specified below:
  - a. Six (6) semester hours in the development and implementation of individualized educational programs for the pre-kindergarten child with disabilities to include formal and informal evaluation techniques; developmentally appropriate curriculum, methods and intervention strategies; teaming approaches to facilities inclusion in appropriate learning environments; and multidisciplinary approaches and techniques for serving the child and the family;
  - b. Three (3) semester hours in child development to include theories of the atypical child, the stages and sequences of development, and the impact of disabilities and biomedical risk factors on learning; and
  - c. Three (3) semester hours in family collaboration and support to include family systems theory and interaction; community resources; service coordination; and transition.

Specific Authority 229.053(1), 231.15(1), 231.17(6) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 10-30-91, Amended 5-7-2002.

Specialization Requirements for Endorsement in:

Orientation and Mobility - Academic Class (#6A-4.01794)

1. Plan One. A bachelor's or higher degree with certification in visually impaired and nine (9) semester hours to include three (3) semester hours in each of the following:
  - a) Beginning orientation and mobility skills to include experience and observation of behaviors under conditions simulating visual impairments;
  - b) Advanced orientation and mobility skills focusing on increasingly complex environment and applications to multi-handicapped preschool, school-age, and adult populations; and
  - c) Applied skills in orientation and mobility to include observation and assessment, and planning and delivery of orientation and mobility services to students with visual impairments; or
2. Plan Two. A bachelor's or higher degree with certification in an academic class subject and twenty-four (24) semester hours to include the areas specified below:
  - a) Three (3) semester hours in each of the following:
    1. Foundations of exceptional student education to include historical perspectives, student characteristics, and trends and issues;
    2. Introduction to visual impairments including psychological, social, and emotional implications; history of educational services; and current delivery models;
    3. Functions of the eye and educational implications to include interpretation of medical eye reports, structure of the eye, disease and impairments, low vision training, and the use and care of optical aids;
    4. Introduction to orientation and mobility to include theories, concepts, and the impact of mobility on the individual, the family, and the community;
    5. Beginning orientation and mobility skills to include experience and observation of behaviors under conditions simulating visual impairments;

6. Advanced orientation and mobility skills focusing on increasingly complex environment and applications to multi-handicapped preschool, school-age, and adult populations, and
  - b) Six (6) semester hours in applied skills in orientation and mobility to include observation and assessment, and planning and delivery of orientation and mobility services to students with visual impairments.

Specific Authority 229.053(1), 213.15(1), 231.17(1) FS. Lau Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 10-3-91.

Specialization Requirements for Endorsement in:

Gifted - Academic Class (#6A-4.01791)

1. A bachelor's or higher degree with certification in an academic class coverage, and
2. Fifteen (15) semester hours in gifted education to include three (3) semester hours in each area specified below:
  - a) Nature and needs of gifted students to include student characteristics; cognitive, social, and emotional needs; and history and current research;
  - b) Curriculum and instructional strategies for teaching gifted students to include modification of curriculum content, instructional process, student products, and learning environment;
  - c) Guidance and counseling of gifted students to include motivation, self-image, interpersonal skills, and career options for gifted students;
  - d) Educating special populations of gifted students such as minorities, underachievers, handicapped, economically disadvantaged, and highly gifted to include student characteristics and programmatic adaptations; and
  - e) Theory and development of creativity to include elements of creativity such as flexibility, originality, and elaboration.
3. This rule shall take effect July 1, 1992.

Specific Authority 229.053(1), 231.15(1), 231.17(1) FS. Law Implemented 229.053, 231.145, 231.15, 231.17 FS. History - New 7-1-92.

## Specialization Requirements for Endorsement in:

### Reading - Academic Class (#6A-4.0292)

1. A bachelor's or high degree with certification in an academic, degreed vocational, administrative, or specialty class coverage, and
2. Fifteen (15) semester hours in reading coursework based upon scientifically based reading research with a focus on both the prevention and remediation of reading difficulties to include the areas specified below:
  - a) Six (6) semester hours in understanding reading as a process of student engagement in both fluent decoding of words and construction of meaning;
  - b) Three (3) semester hours in the administration and interpretation of instructional assessments to include screening, diagnosis, and progress monitoring with purposes of prevention, identification, and remediation of reading difficulties;
  - c) Three (3) semester hours in understanding how to prescribe, differentiate instructions, and utilize appropriate strategies and materials based upon scientifically based reading research in order to address the prevention, identification, and remediation of reading difficulties in order to increase reading performance; and
  - d) Three (3) semester hours in a supervised practicum to obtain practical experience in increasing the reading performance of a student (s) with the prescription and utilization of appropriate strategies and materials based upon scientifically based reading research to address the prevention, identification, and remediation of reading difficulties.

Specific Authority 229.053(1), 231.15(1), 231.17(6) FS. Law Implemented 229.053, 231.145, 231.15(1), 231.17(6) FS. History - New 7-30-2002.

### **Alternative Teacher Certificate Program**

#### Questions & Answers for the Alternative Teacher Certification Program

1. What is the Alternative Teacher Certification Program (ATCP)?

Designed to develop quality teachers for Florida's classrooms, the Alternative Teacher Certification Program offers non-education majors, who hold at least a bachelor's degree in the area for which a professional certificate may be issued, the opportunity to be trained as educators. Upon completion of the program, the participant may seek professional state certification if they have satisfied Florida's testing requirements.

2. What are the qualifications to participate in the ATCP?

- \* Be a paid instructional employee of the School District of Palm Beach County in a teaching assignment that does not vary from day to day.
- \* Hold or be eligible for a temporary teaching certificate from the Florida Department of Education.
- \* Hold at least a bachelor's degree in the area for which a professional certificate may be issued.
- \* Obtain hiring principal's signature on the ATCP application.

3. How does the ATCP work?

Participants in the ATCP are provided with a support team composed of a building administrator, a mentor teacher from the school, a buddy teacher, and an online mentor.

An Individual Action Plan (IAP) is developed for each participant based on a baseline assessment of skills. The IAP outlines a course of study through a combination of eight Formative Domains, independent reading assignments, and selected content of the Department of Education online program Ed-ventures. Participants will be required to demonstrate consistent patterns of acceptable behavior in all twelve areas of the Florida Department of Education Accomplished Practices for Educators of the Twenty-First Century through a series of assessment tasks. Participants will also be required to earn a passing score on the Professional Education Test.

4. How long does the ATCP take?

The ATCP can be completed in one academic year including pre-planning and post-planning. If candidates are not able to complete all of the assessment tasks in that time frame, they may continue in the program for an additional year with the permission of their principal.

5. What supplies are needed to complete the ATCP?

Participants will be required to obtain copies of the three textbooks necessary to complete the readings associated with the ATCP.

6. Where can I obtain an application to participate in the ATCP?

Applications are available through the office of Staff Development/.HRMD. For more information, please contact Martin J. Walsh at 561-434-8661.

## **Professional Development Alternatives for ESE Educators**

PDA-ESE: A program for all educators serving children with special needs.

In response to federal and state imperatives for highest quality teachers and continuing demands for appropriately certified personnel in Florida's exceptional student education programs, the Florida Department of Education has developed a comprehensive statewide initiative to provide specialized training for teachers of students with disabilities. This is a collaborative effort between the Bureau of Educator Training and the Bureau of Instructional Support and Community Services.

This program has been modeled after online training initiatives, and will utilize online training modules as well as mentoring and other local training oriented delivery options to ensure that quality training is available and accessible.

The program is designed for individuals working with students with disabilities who wish to increase their knowledge in targeted ESE competency areas including:

- \* Teachers assigned out-of-field in Exceptional Student Education
- \* Teachers seeking certification in exceptional student education and planning to take the ESE K-12 Certification Exam
- \* Teachers seeking renewal of certification in any area
- \* Teachers seeking targeted instruction to address areas of need indicated on annual performance evaluations

### **Competency Areas**

The modules comprising the PDA for ESE Educators designed to appeal to diverse learners will be self-paced, competency based and will be correlated to the competencies used to develop the new ESE K-12 certification coverage. They will include:

- \* Foundations of Exceptional Student Education
- \* Assessment and Evaluation
- \* Instructional Practices in Exceptional Student Education
- \* Positive Behavioral Supports
- \* Language Development and Communication Skills

For more information on PDA-ESE alternative, please visit the website at [www.pda-ese.org](http://www.pda-ese.org) or call Sharon Bittle @ (561) 429-4595.

## **Virtual Exceptional Student Education Distance Learning Program - Spring 2005 Course Offerings**

The spring schedule of the online courses offered via the statewide Virtual ESE Distance Learning Program has been released:

- \* Transitions for Secondary Students
- \* Foundations/Introduction to Special Education
- \* Management and Motivation
- \* Advanced Strategies in Mental Retardation

These courses are sponsored by the Bureau of Exceptional Education and Student Services to assist teachers seeking initial SE K-12 certification or renewal of a professional certificate. Visit the Virtual ESE Distance Learning Program Website at:

[http://www1.stpt.usf.edu/cspd/virtual\\_ve\\_program.htm](http://www1.stpt.usf.edu/cspd/virtual_ve_program.htm)

Florida Atlantic University contact person: Dr. Cynthia Wilson @ 561-297-3280

## **Florida Teacher Certification Examination Requirements**

Note: Certification is continuously changing. For the most updated information, a registration application, future testing dates, study guides and more, obtain a Registration Bulletin by contacting your district, post secondary institution or Florida Department of Education, Bureau of Teacher Certification at (904) 488-2317 or (800) 445-6739.

Florida Teacher Certificate Examinations (FTCE) for certification of teachers:

- \* The General Knowledge Test (GK)
- \* The Professional Education Test (Ped)
- \* Subject Area Examinations (SAEs)

Transition from CLAST to General Knowledge:

- A candidate does not need to take the General Knowledge Test for Certification if he or she took and passed all sub-tests of the CLAST before July 1, 2002.
- If a candidate has failed one or more CLAST sub-tests and did not retake and pass the sub-test (s) by June 30, 2002, that candidate must register for and take the appropriate corresponding sub-test (s) of the General Knowledge Test.

### **General Knowledge Test (GK)**

Prior to July 1, 2002, the required basic skills test for teacher certification was the College-Level Academics Skills Test (CLAST). For certification purposes, the Florida Legislature replaced the CLAST with the General Knowledge Test, effective July 1, 2002. The General Knowledge Test is a basic skills test containing four subtests: Mathematics (45 multiple-choice items), Reading (40 multiple-choice, passage-based items), English Language Skills (40 multiple-choice items), and Essay.

Transition from CLAST to the General Knowledge Test:

- A student who has questions about the General Knowledge Test should consult his or her college advisor before registering for the test. An applicant for a Florida Educator's Certificate should consult his or her Official Statement of Status of Eligibility from the Bureau of Educator Certification, Florida Department of Education, to ensure registration for the appropriate test.
- If a candidate failed one or more CLAST subtests and did not retake and pass the subtest (s) before July 1, 2002, the candidate must register for and pass the appropriate corresponding subtest (s) of the General Knowledge Test. The Bureau of Educator Certification has no authority to accept a CLAST subtest taken after June 30, 2002, for certification credit.

**The General Knowledge Test is an all-day test.**

**Note:** Candidates may take the Essay subtest of the General Knowledge Test and the Professional Education Test on the same test date.

Other General Knowledge subtests (English Language Skills, Reading, and Mathematics) cannot be taken or retaken on the same test date as the Professional Education Test.

### **Professional Education Test (Ped)**

Candidates applying for a Professional Certificate may need to take the Professional Education Test. See your Official Statement of Status of Eligibility. This multiple-choice test assesses general knowledge of pedagogy and professional practices and consists of approximately 120 items.

**The Professional Education Test is usually administered in the afternoon.**

**Note:** Candidates may take the Professional Education Test and one (1) subject area exam, except 060 Elementary Education K-6, on the same test date.

Candidates may take the Professional Education Test and the Essay subtest of the General Knowledge Test on the same test date.

### **Subject Area Examinations (SAEs)**

- Candidates applying for a Professional Certificate and those adding a subject area to a Professional Certificate may need to pass a subject area exam in the field in which they are seeking certification. See your Official Statement of Status of Eligibility.

- The subject area exams are for degreed academic and some vocational subject areas. These exams measure content area knowledge, usually in a multiple-choice format. The number of items varies from approximately 80-225, depending on the subject area.

**Subject area exams are usually administered in the morning.**

**Note:** Consult your College of Education advisor or Official Statement of Status of Eligibility from the Bureau of Educator Certification before registering for any of these tests.

**Financial Aid**

Note: Financial aid is continuously changing; for the most updated information, contact the district in which you plan to work or check related web sites.

**Comprehensive System of Personnel Development Tuition Reimbursement**

The Southeastern Regional Comprehensive System of Personnel Development has determined that in keeping with the Council's goal to recruit and retain Exceptional Student Educators it is essential to offer Tuition Reimbursement. The objective and award conditions of this Tuition Reimbursement may change over time. For the most updated information, visit SR-CSPD's website <http://www.coe.fau.edu/cspd>

**Conditions:**

- Registered and paid for an approved Exceptional Student Education course at an accredited College/University within the Southeastern Region (Broward, Palm Beach, Martin, St. Lucie, Okeechobee, and Indian River Counties).
- Has not received any Florida State Funding (e.g., grant assistance, school district/FDLRS, etc.) toward this course.

**Awards**

- Priority will be given to current teachers certified in areas other than Special Education who are interested in making the switch to Special Education or who are already teaching Special Education with an Out-of-Field Certification.
- Others who may be eligible include: Students obtaining a Bachelors in Special Education, Teachers with Special Education Certification seeking Add-On Certification, and Teachers with General Education Certification who are teaching in an Inclusion setting. These applicants will be handled on a first come, first served basis upon submission and timely receipt of all required forms and documentation.
- Amount of tuition reimbursement will be based on the cost of the course (s), with a maximum per course award of \$700.00.

To Apply:

- Complete and mail a Special Services Invoice (see [http://www.fau.edu/admin/fiscal/forms/ssin\\_fm.htm](http://www.fau.edu/admin/fiscal/forms/ssin_fm.htm)) and an Application For Tuition Support (see <http://www.coe.fau.edu/>) to Dr. Jim Forgan at FAU, MLC Bldg. Room 251, 5353 Parkside Drive, Jupiter, FL 33458.
- You must include an original receipt showing that the course is paid in full.
- If you are unable to access or print the Special Services Invoice or the Application for Tuition Support, contact Dr. Jim Forgan at [jforgan@fau.edu](mailto:jforgan@fau.edu) or 561-799-8636.

**Florida Department of Education  
2004-2005 Critical Teacher Shortage Areas**

- Emotionally Handicapped
- Hearing Impaired
- Visually Impaired
- Specific Learning Disabled
- Reading
- School Psychology
- Science
- Industrial Arts/Technology Education
- Mentally Handicapped
- Physically Impaired
- Varying Exceptionalities
- Speech & Language Impaired
- Foreign Languages
- Middle/Senior Grades Mathematics
- English for Speakers of Other Languages (ESOL-Degree Only)

These areas change from year to year and; therefore, we recommend that you contact the District's Certification Office for up-to-date information.

**Critical Teacher Shortage Student Loan Forgiveness Program**

Description

This loan forgiveness program was created to attract qualified personnel to teach in Florida publicly-funded schools in designated critical teacher shortage areas. The program provides funds to repay educational loans in return for teaching in these schools and areas.

Qualifications

All timely applications will be considered. Awards will be made to an applicant who:

- \* Is certified in a State Board of Education critical teacher shortage subject area.
- \* Is under contract, for the first time, to teach full-time in the critical teacher shortage subject area in which he or she is certified, and teaches at least 90 days of the school year.

- Is teaching in a publicly-funded Florida school.
- Meets applicable general eligibility requirements for receipt of state aid.
- Submits a completed Florida Financial Aid Application for Teachers available at [www.FloridaStudentFinancialAid.org](http://www.FloridaStudentFinancialAid.org) and required documentation.

#### Deadline

- For the deadline to submit an application and required documentation for a teacher under contact for the first time, to teach full-time in the critical teacher shortage subject area in which he or she is certified, and who teaches at least 90 days of the school year, go to the following web site: [www.FloridaStudentFinancialAid.org](http://www.FloridaStudentFinancialAid.org)

You may complete the Florida Financial Aid Application via the web site address: [www.FloridaStudentFinancialAid.org](http://www.FloridaStudentFinancialAid.org) or call us for assistance at 1-800-827-2004

### **Critical Teacher Shortage Tuition Reimbursement Program**

#### Description

This tuition reimbursement program was created to encourage certified employees of a publicly-funded school to gain or renew certification in or gain a graduate degree in a critical teacher shortage subject area. The program provides funds for tuition reimbursement for course (s) completed and applicable to certification in a critical teacher shortage subject area.

#### Qualifications

All timely applications will be considered. An award will be made to an applicant who:

- Is certified in a State Board of Education subject area.
- Is currently employed full-time in a publicly-funded Florida school.
- Completes approved critical teacher shortage subject area course (s) with a minimum 3.0 grade point average per course.
- Meets applicable general eligibility requirements for receipt of state aid.
- Submits a completed Florida Financial Aid Application for Teachers available at [www.FloridaStudentFinancialAid.org](http://www.FloridaStudentFinancialAid.org)

#### Deadline

Application deadlines may be obtained by visiting our web site at:

[www.FloridaStudentFinancialAid.org](http://www.FloridaStudentFinancialAid.org)

## **Exceptional Student Education Training Grant Program for Out-of-Field Teachers**

The Exceptional Student Education Training Grant Program for Out-of-Field Teachers provides reimbursement to those persons who are under contract to teach in an exceptional student education program and do not have certification which is appropriate for the assignment.

### **Conditions:**

- Holds a full-time legal contract to teach in exceptional student education in, 1) a district school system, 2) a state operated program or 3) a state supported program.
- Holds a valid educator's certificate which does not reflect an exceptional student education coverage or endorsement which is appropriate for the assignment.
- Completes course (s) which satisfy specialization requirements for certification or endorsement in the areas of exceptionality to which they have been assigned to teach.
- Has not received funds from other sources for any course applied for through this program.

### **Awards:**

- Awards will be made to eligible applicants contingent on availability of funds on a first come, first served basis.
- Applicants may receive tuition reimbursement for up to three courses, not to exceed nine semester hours, or the equivalent quarter hours, **per term** , at the rate not to exceed \$78.00 per semester hour, excluding special fees.

### **To Apply:**

- Obtain and carefully review an Exceptional Student Education Training Grant Program for Out-of-Field Teachers packet from the Office of Student Financial Assistance, Florida Department of Education at [www.firn.edu/doe/bin00065/99apps.htm](http://www.firn.edu/doe/bin00065/99apps.htm) or call [1-888-827-2004](tel:1-888-827-2004) or [1-850-487-1080](tel:1-850-487-1080).
- Submit application, Form TR-1, as well as other required paperwork to the Office of Student Financial Assistance, Florida Department of Education, at the end of each term following the completion of coursework. (See Exceptional Student Education Training Grant Program for Out-of-Field Teachers packet for exact deadlines).

## **Federal Family Education Loan Programs**

The Federal Family Education Loan Program (FFELP), is the collective name for a specific group of Federal loan programs designed to provide low interest loans to help eligible students pay for post-secondary education. FFELP includes the following types of loans:

- **The Federal Stafford Subsidized Loan** is awarded on the basis of financial need. If you qualify for a subsidized loan, the federal government pays interest on the loan until you begin repayment and during authorized periods of deferment thereafter. For more information see, The Student Guide which is available at: [http://www.ed.gov/prog\\_into/SFA/StudentGuide/2002-3/index.html](http://www.ed.gov/prog_into/SFA/StudentGuide/2002-3/index.html)
- **The Federal Stafford Unsubsidized Loan** is not awarded on the basis of need. If you qualify for an unsubsidized loan, you will be charged interest from the time the loan is disbursed until it is paid in full. You can choose to pay the interest while you are in school or allow it to accumulate. If you allow the interest to accumulate, it will be added to the principal amount of your loan and will increase the amount you have to repay. For more information, see The Student Guide which is available at: [http://www.ed.gov/prog\\_into/SFA/StudentGuide/2002-3/index.html](http://www.ed.gov/prog_into/SFA/StudentGuide/2002-3/index.html)
- **The Federal PLUS Loan** enables parents with good credit histories to borrow money for their children's education. Their children have to be dependent undergraduate students enrolled at least halftime. The interest rate is variable but will never exceed 9 percent. For more information, see The Student Guide which is available at: [http://www.ed.gov/prog\\_into/SFA/StudentGuide/2002-3/index.html](http://www.ed.gov/prog_into/SFA/StudentGuide/2002-3/index.html)
- **The Federal Consolidation Loan** is designed to help student and parent borrowers consolidate several types of federal student loans with various repayments scheduled into one loan. FFEL Consolidation loans are available from participating lenders, such as banks, and credit unions. Most federal student loans or PLUS loans can be consolidated. For more information, see The Student Guide which is available at: [http://www.ed.gov/prog\\_into/SFA/StudentGuide/2002-3/index.html](http://www.ed.gov/prog_into/SFA/StudentGuide/2002-3/index.html)

### Teacher Service Cancellation and Deferment

The Teacher Service Cancellation and Deferment program allows educators who are teaching in a low-income school or teacher shortage area to either cancel or defer repayment of student loans. It also allows for those educators to reduce their years of service. They must be teaching in a shortage area to meet the requirements of the Paul Douglas Teacher Scholarship (formerly Congressional Teacher Scholarship).

- **Federal Perkins Loan** borrowers are eligible for loan cancellation for full time teaching in three categories:
  1. *Teaching in an elementary or secondary school that serves low-income students, as determined by the state education agency. To find out if your school qualifies as a low-income school check the following online database:*  
<http://www.ed.gov/offices/OSFAP/Students/repayment/Teachers/Index/html>

2. *Teaching in an elementary or secondary school system that has a shortage of teachers in a designated subject-matter area.*
3. *Teaching students with disabilities in a public or other nonprofit elementary or secondary school.*

To apply for a loan cancellation, you must request the appropriate forms from the office that administers the Federal Perkins Loan Program at the college or university that holds your loan.

- **FFELs and Direct Loans** can be deferred for full-time teaching in a federally designated teacher shortage area for a maximum of three years if:
  1. You received a Federal Stafford Loan or Federal Supplement Loan for Students (Federal SLS) for enrollment in classes that started between July 1, 1987 and June 30, 1993.
  2. You had no outstanding FFEL on the date you signed the promissory note for the loan.

To obtain a deferment, you must submit a deferment form to your lender for each school year of teaching service. For more information on deferring your FFEL consult your loan promissory note and contact the organization holding your loan. For information on deferring Direct Loans call 1-800-848-0979.

- **Paul Douglas Teacher Scholarship** normally requires two years of service per one year of scholarship assistance. This program can reduce two years to one year of service per year of scholarship assistance. For more information contact the office that administers the program in the state that granted the original scholarship.

**Note:** To apply for federal financial aid, and to apply for many state student aid programs, students must complete a Free Application for Federal Student Aid (FAFSA). Electronic versions of the FAFSA make applying for financial aid faster and easier than ever. [Http://www.fafsa.ed.gov/](http://www.fafsa.ed.gov/).

If you have any questions, or require additional information on student financial assistance, you may contact the financial aid office at the post-secondary institution you plan to attend or call the numbers below:
