- EME 6415 Courseware Design
ADMISSION REQUIREMENTS

Admission to the Master's Degree in Instructional Technology program requires submission of the graduate application form. You will find information about the application process at http://www.fau.edu/graduate/. You must complete the actual graduate application online. In addition, in order to be considered for the Degree Program, you must submit the following documentation.

1. Official transcripts of all undergraduate coursework.

2. A bachelor's degree from a regionally accredited college or university.

3. Graduate Record Examination (GRE) scores.

Departmental approval will be contingent upon:

A grade point average (GPA) of 3.00 or better in all work attempted while registered as an upper division student working for a baccalaureate degree;

OR

A minimum combined score of 1000 (quantitative and verbal) on the Graduate Record Exam (GRE). Graduate Record Examination scores must not be more than 5 years old (unless age of score is waived by petition submitted with application)

OR

A graduate degree from a regionally accredited institution.

All College of Education Programs are approved by the Florida Department of Education and the National Council for the Accreditation of Teacher Education (NCATE). This State and NCATE approval represents the transferability of your teaching credentials from state-to-state. Please keep and consult the Florida Atlantic University catalogue from the semester that you were admitted to the program, for more details regarding your program.
